# What our travelers say about us:

I am getting ready for my third trip with Gutsy Women Travel and am having a ball checking off my bucket list. Their trips are well planned with a variety of activities. I went to South Africa two years ago and my dream of seeing a leopard as well as the important sites and local people was a life-changing experience. Last year I went to Peru and I hiked the trail to Machu Picchu and survived to tell about it! This year, India, and the gutsy women on the trip are already emailing each other as we prepare for what I know will be a fabulous adventure!

-Becky JT., New Orleans, LA

I loved my trip to Kenya! The itinerary rocked as did the accommodations. It fulfilled my expectations beyond my wildest dreams. Can't wait to celebrate Gutsy Women's 13th Anniversary in Costa Rica in November 2014 and returning to Africa in 2015 on Ultimate Africa with three of the gutsy women I met on my tour last year!

-Alice M., Brooklyn, NY

"The Travel Directors made the difference between a good trip and a great one. Gutsy is the perfect company for me, I have new friends from all around the country!"

-Jody A., Longmont, CO
